Memo.

Mysore Dy Com's letter No. 1389 dy 4th June 1895 recommending the grant of certain waste lands under the Ramapur Channel to the Sri Lakshmi Swami Temple in Nanjangud.

The Servants of the temple greatly complain that the Paditara allowances which were granted by H. H. the late Maharaja Sri Krishnaraj Wodayar IV. are paiable to them in kind, have been reduced to one-half the sanctioned quantities, owing to the increase in the price of provisions. X

The reasonableness of their representations in this respect has been borne

2. Once, in the year 1892 when a Season of [redacted] Scarcity prevailed and ~~the pandita allowances of the temple Servants the pandita allowances of~~ the temple Servants ~~had to be reduced~~ Govdt. did not half give ~~1/2~~ of the reduced allowances they now receive, the Govt in Pro. No. In 549-608 dtd 7th Dec 9 were pleased to Sanction ~~an~~ an extra grant for the occasion in View to afford a temporary relief to the Servants. This extra grant ceased at the end of ~~March~~ February 1893. & nothing has yet been done to extend any permanent relief to the temple Servants tho' the subject has long been under the consideration of Govt.

3. The Padtara allowances
"Question being paid for Services rendered
in the temple, it is only fair
that the temple Servants
Shd. obtain the full quantities
promised to them
in the Samvads. But ~~Act~~
the increased prices of
provisions prevailing during
for the past one decade, the
Money allotment assigned for
the Padtara allowances does
not fetch more than half
of the quantity payable as
per Tandik Patti. As a means,
therefore, of augmenting the resources
of the temple to some extent, I wd.
support the recommendation
now made by the Dy. Comr. of
the Dist.
for granting certain waste lands
under the
- Afforestation

but what is really asked for is not. much, seeing that it is only the ~~a~~ occupancy ~~to~~ right ~~to~~ of the lands without price. The temple till hold the lands ~~on the same~~ as ordinary Patta lands. ~~passed~~ on the payment of the prescribed Assessment And ~~other~~ local cesses - ~~And,~~ ~~the poddy passes the same~~ as ~~with the~~ ~~~~

I have no objection

the matter is one for issue of
orders in the Rev Deptt, to which
may be sent the Inwr Septls memo
shewing the need for adding
temple income to maintain
ginal Jasdik in kind.

The applt is only for
grant of occupancy
ithout price. On a previous
casion I named a small
rice for people wanting to
ase land as an
dowment to the Temple
